TERMS & CONDITIONS

- **Single-use voucher valid only for an Initial New Patient Consultation.**
 - **This offer is available to new patients only at PPS Physiotherapy.**
 - **The voucher or promotion must be mentioned at the time of booking or at your first appointment; otherwise, standard consultation fees apply.**
 - **You must present the voucher at your Initial Consultation.**
 - **You must bring your private health fund card to the Initial Consultation to access the Gap-Free offer. Claims cannot be processed without a valid health fund card present on the day.**
 - **Patients with eligible private health insurance that includes physiotherapy may receive a Gap-Free Initial Consultation.**
 - **Patients without private health insurance will receive 30% off the current Initial Consultation fee, provided the offer is mentioned at booking or during the first consultation.**
 - **The offer applies to an Initial Consultation for one body region only (e.g., shoulder or knee).**
 - **If multiple body regions require assessment or treatment, or an extended consultation is required, standard extended consultation fees apply.**
 - **This offer is not valid for extended consultations (i.e., sessions requiring assessment/treatment of more than two body regions).**
 - **This offer cannot be used in conjunction with Medicare referrals or any other promotion, discount, or special offer.**
-
